

**IM STONE**  
COMPANIES GROUP

**Dear Sir/Madam,**

Our company «IM-STONE» (based in Moscow, Russia) is the manufacturer and seller of high quality products from natural stone to customers in Moscow, Moscow region and the regions of Russia.

«IM-STONE» is the part of industrial-constructional holding "Imperial", that was founded in 1993 with the purpose of quarrying and mining operations. The holding company owns three quarries for the extraction of block stone, and two processing plants in Ukraine.

The main office of the company «IM-STONE» is in Moscow, there is the warehouse and showroom of the finished products.

Today, in connection with the increase in sales, own production and other Ukrainian manufacturers only satisfy the part of Moscow and other Russian regions' market. In this regard, it was decided to expand the range by supplying granite and marble products from China, India and Europe.

Please, quote as the supply of the items listed on the enclosed enquiry list below, giving your prices FOB port China, Vietnam, India.

We want to obtain from our suppliers the following products:
